Genie Forklift

Genie Forklift Training Moose Jaw - Genie is a universally predictable company that enjoys the spirit of alliance with their sizable network of connected clients. Genie Industries prides itself on the thought of bringing materials and people higher and extending beyond the goods they design. Genie Industries strives to help clientele build their operations no matter how large or small the scale of operation may be.

The launch of the Genie Hoist in 1996, a pneumatic, portable material lift initiated the opening of Genie Industries. A series of aerial work platforms and additional material lift trucks followed to satisfy customer demand. These innovative products secured global recognition and established contemporary product design.

Now, Genie Industries is a subsidiary of the Terex Corporation. Among their top priorities are to manufacture and maintain foremost quality production and uncompromising level of support and service. With clients from Dubai to Dallas and Hong Kong to Helsinki requesting the distinctive blue coloured material forklifts on the jobsite, the business is securely planted in their exceptional customer values and service. Acknowledging that their users are their greatest motivation, the team at Genie Industries are individually dedicated to offering expertise and maintaining customer rapport.

The dependable staff is dedicated to greener, more environmentally sensible possibilities to develop the products that customers want. Genie Industries focuses on "lean production" practices in order to help limit waste while producing very high quality lift trucks in the shortest time period at the lowest workable expense for the consumer. The team at Genie Industries is proud to serve the industry and this is reflected in every product they manufacture. Always welcoming consumer contribution enables them to produce and develop innovative new products that are simple to service and handle, provide optimum value-for-cost and meet international standards. Thriving on consumer opinion helps Genie Industries to persistently evolve and meet the consumers' needs.

Genie's service experts are readily accessible to provide solutions to the questions you may have in order to keep you fully operational. Their expansive components network will promptly dispatch parts to guarantee their consumers' machines are running effectively. Every product comes backed by a competitive and reliable warranty.

Genie Industries takes great satisfaction in its customer service and builds and serves its goods to guarantee effectiveness and maximum uptime on the job. Providing on-going instruction opportunities, to marketing support to flexible financing options, Genie Industries gives their customers the resources to get the most out of their purchase.
