Nissan Forklift

Nissan Forklift Training Moose Jaw - Nissan Motor Co. Ltd prides itself on attaining total customer happiness when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and meticulous quality values to their customers. Incorporating a prosperous heritage combined with solid production principals, Nissan lift trucks provide a few of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to keep up with worldwide forklift demands. Dedicated to providing consumer support, the business has four independent production facilities that allow them to persistently adapt to their consumers continually evolving wishes by providing a range of progressive ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, fabrication, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to maintain environmental accountability by using systems and procedures that limit their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their clients insist upon while being an environmentally aware organization.

Nissan is assured that they will be capable of addressing any buyer queries or concerns. Always available through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even going to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
